COMES IN DUAL TONE AND SHADES OF ENVY.

The Vitara Brezza comes with glamorous dual tone shades of Blazing Red with Midnight Black, Fiery Yellow with Pearl Arctic White and now in an all-new shade of Autumn Orange with Pearl Arctic White. What's more, the style quotient of the dual tone is elevated by the muscular design, flaunting the bull-horn LED light guides and gloss black alloy wheels.

FLOATING ROOF DESIGN

The image shows the front interior of a car. The driver's seat and front passenger seat are black with a textured, woven fabric pattern. The seats have black leather-like trim on the headrests and side bolsters. The center console has a black gear shifter and handbrake. The dashboard and steering wheel are also visible. Through the windshield, a city skyline is visible across a body of water. A diagonal blue and white line separates the interior view from the text on the right.

INSPIRE AWE.

The Vitara Brezza is masculine on the outside yet contemporary on the inside. The piano and aluminium finished accents on the interiors along with the sporty black seats not just makes the Vitara Brezza truly glamorous, but also ensures you inspire awe, wherever you go.

BRILLIANCE MEETS SAFETY.

At Maruti Suzuki, safety is our priority. That's why, the Vitara Brezza comes equipped with dual airbags, Anti-lock Braking System with EBD, Suzuki TECT and rear parking sensors. What's more, it's certified for offset and side impact crash test norms along with pedestrian safety compliance.

If the vehicle's speed exceeds 80 Km/h, then the primary level warning will beep twice. And, if the speed goes above 120 Km/h, the secondary level warning will keep beeping. If the vehicle's speed slows down to 118 Km/h, it will beep twice and the buzzer will stop. This buzzer does not indicate any malfunction in the vehicle.
All the safety features are standard and available across all the variants

THE STAR OF THE LONG RACE

Built on Suzuki C platform with DDiS 200 engine, the Vitara Brezza delivers a whopping 24.3km/l ** mileage. The Pendulum engine mount system and state-of-the-art noise insulation and absorption materials ensure that there's always low noise, vibration and harshness.

**Fuel efficiency as certified by the test agency under rule 115(G) of CMVR.
